The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve the participant for free or reduced price meals. You must include the last four digits of the Social Security Number of the adult household member who signs the application. The Social Security Number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number for the participant or other (FDPIR) identifier or when you indicate that the adult household member signing the application does not have a Social Security Number. We will use your information to determine if the participant is eligible for free or reduced price meals, and for administration and enforcement of the Program.
